New Business

- Picnic Tables

A motion was made and passed that the Burland Civic Association donate two wood picnic tables of choice to the Historical Society for use at the McGraw Park in Bailey. I would like to thank Dan Lucy for making sure these tables were delivered.

Dan Lucy volunteered to check out a protective coating for our new concrete picnic tables. This coating will help prevent graffiti from adhering to our new tables

- Basketball Court Location

Those in attendance walked around the park and found three potential locations for the new basketball court. These locations will be presented to the excavator for his input as far as working in the areas designated.
