

BURLAND CIVIC ASSOCIATION
August 11, 2001

Meeting called to order; July minutes were read and approved.

Old Business

Covenant Violations

Bob Worley drafted a letter to homeowner. Need someone to take photos, etc.

Shirley to ck with someone regarding filing a civil suit - is it a \$40 filing fee? How many times can a non-profit organization file a civil suit in a 1-year period of time?

New Business

Burland Ranch-ettes Lots

Every lot to be for 1 single-family home on 1+ acre lots. We need to see what goes through Board of Adjustments as far as properties in Burland Ranch-ettes. Dick Scofield or ~~Dan Lucy~~ were going to check this out and report back to us.

Slash

There was discussion about slash removal caused by the basketball court excavation. Tomie Belin has made arrangements with a trash removal person to pick up all the trees, etc.

Junk at the Mud Pit Baseball

Someone (_____) was going to check out what can be done about the trash that is collecting at the baseball park

Respectfully submitted:
