

On April 8, 2023, Weakland-Fawks Park was filled with hidden treasures for the children to find, stuffed into an egg. Volunteers had a blast filling the eggs in anticipation of the big hunt. Volunteers collected and hid the precious eggs, decorated the park, and provided face painting and activities while the crowd gathered. At the starter call, the hunt was on! All

had fun and the smiles and giggles were much appreciated by the volunteers, as that is the reason we provide opportunities for the community to gather — to have fun!

The **Burland Annual Family Picnic** will be on Saturday, July 15, 2023 at Weakland-Fawks Park. There will be fun and games for the whole family! We plan lunch for between 11:30 and 2:00. Please bring your favorite side dish or dessert to share with your neighbors! We'll supply the hamburgers, hot dogs, etc. Then hang out and enjoy the activities all afternoon!

And so that we can keep the fun coming, the Events Committee sure could use your help! It's an easy way to participate in your community and your HOA, fun stuff done with a bit of

planning a few times throughout the year. Volunteer for one activity or all. We have lots of ideas for community events and to do them, we need help! Please reach out to one of the Committee members, come to a meeting the first Tuesday of the month at the Firehouse (7pm), or email: burlandhoa@yahoo.com and we'll get you connected. Help keep the fun going! We'd love to have you!

Burland Firewise needs you! The first Saws & Slaws of the season is set for Saturday, April 22. For more information please go to burlandfirewise.com. Meet your neighbors and help keep Burland safe from wildfire by mitigating a neighbor's property.

While you're visiting the Firewise site, check out those green address markers that show up so well in the dark, helping your friends find your house and assisting Emergency Services in finding you in case of emergency. They're available for \$10. Just send a check to BHOA, P.O. Box 372, Bailey, CO 80421, with your address and contact information.

The HOA Board Meetings are held on the first Tuesday of the month, 7 p.m., at the Dellwood Firehouse. We do the business of the HOA during that meeting and incorporate a designated Open Forum for Members and Friends to ask questions, raise concerns, bring ideas and even volunteer to help. Please keep in touch by attending.

There are ongoing projects at Weakland-Fawks Park; e.g., a new sign kiosk, similar to those in our State Parks, is being custom built by a volunteer and we hope it will be installed as soon as the ground thaws. We'd love to have a Park Clean-Up Day later this Spring — will you help out? Sadly, we've had an uptick in vandalism and actual theft of property. The Park is for the use of our Burland residents, so this is against all of us in Burland. If you see something, please say something, and protect your Park.

Please use the doggy-do receptacles for your pet, and please do not put regular trash in them. Volunteers take care of emptying the cans, and to be fair to them, please carry out your own garbage!

Visit burlandhomeowners.org for the official information you need about Burland Ranchettes.
